

Q1 EURid's Quarterly Update

2026

As .eu marked its 20th anniversary in April 2026, the first quarter of the year focused on celebrating its achievements while reinforcing its commitment to a secure and inclusive digital environment.

Quarterly highlights

- EURid introduced a reduced fee for .eu Alternative Dispute Resolution (ADR) procedures, in collaboration with the Czech Arbitration Court and the WIPO Arbitration and Mediation Center. A EUR 600 discount is available until the end of 2026, lowering the cost of filing a case from EUR 1,300 to EUR 700 and improving accessibility for stakeholders.
- The fourth edition of the SAFEonLINE Art Competition was also launched, inviting students aged 14+ from across Europe to use their creativity to promote a safer internet. Shortlisted works will be exhibited in Prague and two other European cities, offering valuable visibility for emerging talent.
- In addition, registrations opened for 2026 EuroDIG hosted by EURid with the support of the European Commission. The event, *European Voices for the Future of the Internet*, will take place on 26–27 May in Brussels.
- Finally, EURid called for new members to join its Youth Committee, inviting young people to share insights and support its mission of strengthening trust and security online. The initiative attracted strong interest, out of which 2 new members will be picked.
